

JUSTIN MIRANDA

WEB DEVELOPER

Personal Profile

Driven and adaptable developer with a background in graphic design and hands-on experience in full-stack web development. Passionate about creating user-focused applications and eager to contribute to innovative projects while continuously growing technical skills. Skilled at learning new tools and technologies to tackle complex challenges and deliver impactful solutions.

Senior Graphic Designer

Mirrored Images | Denver, CO | March 2019 – Present

- Designed landing pages, digital ads, newsletters, and print materials for real estate, ensuring brand consistency.
- Integrated clients into email marketing services like Mailchimp, enhancing engagement through successful campaigns.
- Managed multiple projects, meeting deadlines and aligning with strategic goals.
- Created visually compelling infographics from complex market data, boosting brand visibility and client engagement.

Junior Graphic Designer

Mirrored Images | Denver, CO | Feb 2017 – March 2019

- Assisted in creating digital ads, flyers, and marketing collateral, contributing ideas to enhance brand identity.
- Collaborated with senior designers to develop client-focused design solutions.
- Gained experience in front-end web design, working on landing pages and digital content.

Carpenter

Woodrow Construction | Denver, CO | April 2016 – Oct 2020

- Oversaw construction projects requiring precision, teamwork, and adaptability.
- Developed strong analytical and problem-solving abilities essential for debugging and improving code efficiency.
